Branding terms

Connect Fibre Affiliate Programme - Branding Terms

Ownership and Licences

Affiliates participating in the Connect Fibre Limited ("Connect Fibre") Affiliate Programme via the Affiliate Window Network must comply with the following:

Each party retains full ownership of its names, logos, trademarks, service marks, trade dress, copyrights, and proprietary technology, including those currently in use or developed in the future.

Connect Fibre grants the Affiliate a revocable, non-exclusive, worldwide licence to use, reproduce, and transmit Connect Fibre's name, logos, trademarks, service marks, trade dress, and proprietary technology (e.g., Wi-Fi 7 branding) as provided via the Affiliate Window Network interface. This licence is solely for creating referral links from the Affiliate's site during the Programme. Affiliates may not copy, modify, distribute, reverse engineer, or create derivative works unless permitted by law. Any goodwill from using Connect Fibre's branding benefits Connect Fibre alone, granting no rights to the Affiliate. This licence cannot be sublicensed, assigned, or transferred—any attempt to do so is void.

Affiliates may only use logos, trademarks, service marks, trade dress, banners, text links, or coupon codes ("Creative") provided by Connect Fibre through the Affiliate Window interface. Creative must promote Connect Fibre's cutting-edge broadband (e.g., fast, reliable Wi-Fi 7) and not be used in ways that harm

Connect Fibre's reputation, disparage its services, or misrepresent its quality. Using Creative from external sources, emails, or altered versions is prohibited. Non-compliance may result in immediate termination, permanent removal from the Programme, or legal action at Connect Fibre's discretion.

Affiliates must ensure Connect Fibre's branding is less prominent than their own name, logos, trademarks, or site identity. No impression of a deeper affiliation beyond this Programme should be created.

Affiliates must maintain service quality satisfactory to Connect Fibre, which reserves the right to review Affiliate activities under this agreement.

Upon termination or expiration of this agreement, Affiliates must immediately stop using Connect Fibre's logos, trademarks, service marks, trade dress, proprietary technology, and Creative.

Affiliates grant Connect Fibre a non-exclusive, worldwide, royalty-free licence to use submitted graphics or banner ads for co-branding or return links to the Affiliate's site. Connect Fibre will remove such materials upon Affiliate request.

Branding Guidelines

Affiliates must follow Connect Fibre's branding guidelines outlined in "Ownership and Licences." This includes correctly representing our next-level speed and reliability (e.g., "Wi-Fi 7 broadband"). Additional details will be provided by your Account Manager.

Creative Restrictions

Affiliates must use the most current logos and Creative from the Affiliate Window interface at all times. Hardcoding Creative is not permitted—always source it directly from the network.

Copy Compliance

Affiliates must adhere to copy regulations, such as avoiding excessive capitals and using accurate product terms (e.g., "500Mb" not "500MB"). See "Ownership and Licences" for more. Further guidance is available from your Account Manager.

Deeplinking

Affiliates are permitted to deeplink to specific pages on the Connect Fibre site (e.g., www.connectfibre.co.uk) to enhance promotion of our services. Please also review the Brand Guide in the Documents section.
